NOTE NOTES

Ogni informazione contenuta nel presente catalogo potrebbe subire modifiche o variazioni per motivi tecnici o commerciali, senza alcun preavviso da parte del costruttore.

Owing to commercial or technical reasons any information reported in this catalogue might be changed without previous notice by the manufacturer.

Si raccomanda di verificare sempre le quote sul prodotto fisico prima di praticare forature o tacche nel vetro.

We do recommend, drill holes or glass cutouts to be deduced by measuring the physical product always.
